EXAMINER'S AMENDMENT

The drawings were received on 06/30/2006. These drawings are acceptable.

The following is an examiner's statement of reasons for allowance:

The claims 26-28 are allowable over the prior art of record because the teachings of the references taken as a whole do not show or render obvious the combination set forth, including: wherein the electronic counter unit comprises an electronic reader capable of reading an analogue count indicium and an electronic display for displaying said indicium in digital form.

The claim 29 is allowable over the prior art of record because the teachings of the references taken as a whole do not show or render obvious the combination set forth, including: wherein the manipulating means comprises an electronic reader capable of reading an analogue count indicium and an electronic display for displaying a manipulated representation of that indicium in digital form.

The claim 30 is allowable over the prior art of record because the teachings of the references taken as a whole do not show or render obvious the combination set forth, including: manipulating means to manipulate an analogue count indicium

Art Unit: 3654

provided by said analogue counting means wherein the manipulating means comprises a prismatic viewer capable of acting on the analogue count indicium and causing it be displayed in manipulated form at a desired viewing position.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
